LOOKING TOWARD OUR NEXT 100 YEARS

CAPITAL CAMPAIGN OPPORTUNITIES

Parishioners and Friends of St. Philip Neri:

Jesus is Risen! Hallelujah!

Easter celebrates new life, and the hope of rebirth because of the miracle of the Resurrection.

At St. Philip Neri, our capital campaign is also a sign of rebirth. These buildings have stood the test of time and served us well, but they need their own renewal. In the past weeks I have spoken at masses about renovations made and those still needed for the old church (now renamed the Nancy Salta Hall in memory of our generous former parishioner and friend), the new church where we worship today, Carlin Hall, the school, the rectory and the former convent. All these buildings help us maintain and grow our ministry at St. Philip Neri through rental income, which currently totals 70% of our operating revenue.

Our campaign goal is to raise \$750,000 to complete all needed projects. We are 26% of the way there thanks to generous gifts, grants and pledges as seen on the back page.

This flyer shows additional ways you can give to this capital campaign and commemorate a loved one, family or occasion. Please take the time to review these gift options and prayerfully consider leaving a legacy to St. Philip Neri Catholic Church. I welcome the opportunity to speak with you personally about these opportunities.

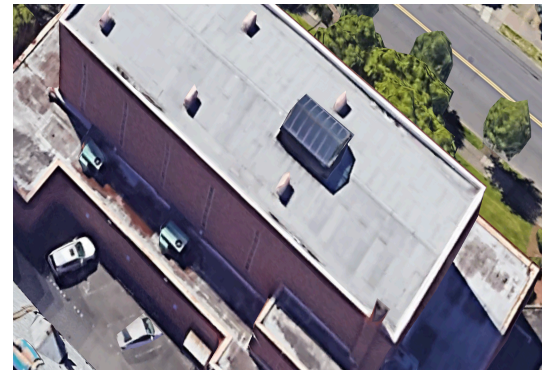

May the blessings of this Easter season be with you and your family.

In the peace of Christ,

Fr. Andrew

This past Tuesday, April 9th HVAC Inc. started installing two new 7.5 ton roof top gas pack units that will be replacing the two oldest units that have been supplying our heating and cooling on the roof top for over 35 years. Over the years we have been putting bandaids on them and now it is time to get them replaced. There are a total of six-units on top of the Church and eventually they will all have to be replaced. These two units will be costing us \$46,385.00.

"If you weren't aware, our wonderful accompanist/cantor at St. Philip Neri, Kit Taylor is also a professional singer/songwriter. On Monday, April 1st, Kit released a new song dedicated to his late father called "Missin' You More" featuring a guest background vocalist named Jarrod Lawson who is signed to a record contract with Sony Records. The song has been picking up momentum and you can help by giving it a listen yourself. You can find it on Kit's website, www.kittaylor.com, or on iTunes or any music streaming service. Thank you!"
